Hi, Derrick, I'd like to participate but would need to do so by phone. I know it's not ideal but if there's a phone line I can attend for at least the first half of the session.

Thanks.

Dear Exide Technologies Advisory Group Members,

My prior email stated the incorrect date for the next Exide Technologies Advisory Group meeting. The next Exide Technologies Advisory Group meeting will be on August 20th, 2015 in the City of Commerce. Attached is an invitation to interested members of the Advisory Group for a working meeting (study session) on August 13th. I apologize for any confusion.
